Directions

The STC Academic Library groundbreaking will be held at the site of the new building, directly in front of the Tracy J. Gaines Learning Resource Center (current STC Library), which is located in the central portion of the campus. Upon entering the campus from New Cut Road, proceed straight to the four-way stop sign and turn right. The groundbreaking site will be on the immediate left. Guest parking will be to the left and right of this site. Signs will be provided.

Traveling from Columbia:

Travel Interstate 26 west and take exit 17 (295-New Cut Road). Turn right off the exit ramp and travel approximately 2.2 miles. STC is on the right.
